

KS1 Maths Home Learning

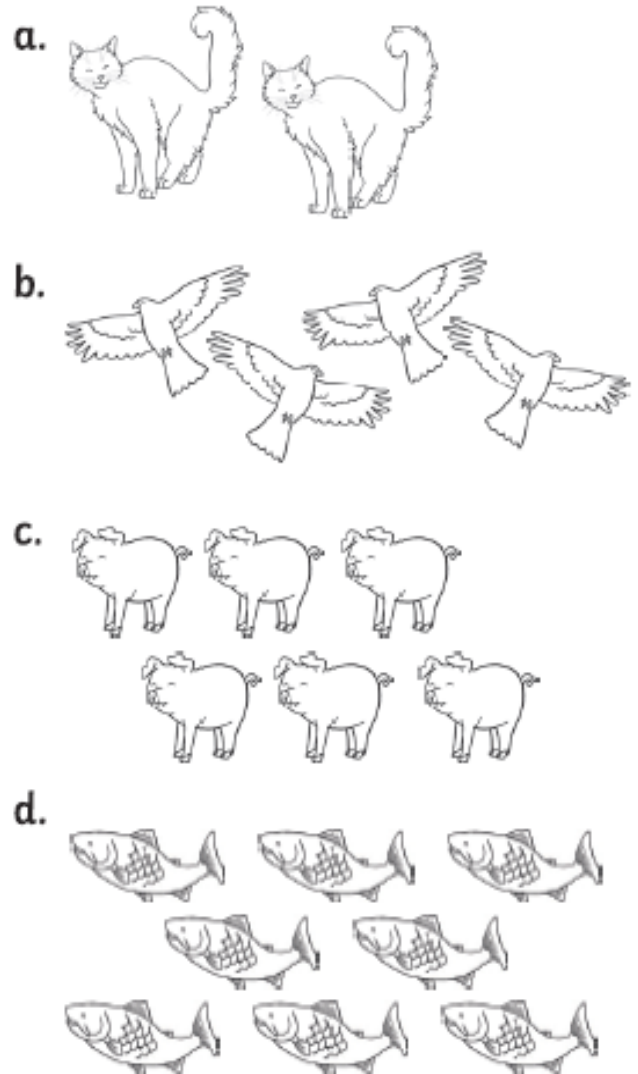

Dear Families,

For Home Learning this week, we would like to

Colour one half of each of these shapes:

Colour one half of each of these groups of animals:

What number is half of 2? _____

What number is half of 4? _____

What number is half of 6? _____

What number is half of 8? _____

What number is half of 10? _____

What number is half of 20? _____

Challenge: *Can you find half of an object at home?* Try sharing a cake or a pizza with someone in your family. 😊
