

The Ancient Egyptian Museum

Create a museum in your classroom!

Explain to the children that by the end of this unit they will have turned their classroom into a museum.

- Make time to decide on key sections of the museum e.g. 'Mummies' and think about how you are going to realise this as a class.
- Use the Home Learning Tasks in this unit as an opportunity to add exhibits to the museum.
- If you are working alongside another class in the same year group following this topic, why not arrange for a classroom swap when the exhibits are complete? Then you can visit each other's museums.
- Why not invite parents in to visit the museum?
